COMMUNITY PROJECT--South Kanara--Exhibition of films in Community Project Area--Requirements of films on Agricultural and Veterinary subjects--Supply of--Requested.

I submit that films on veterinary and agricultural subjects such as Poultry Keeping, artificial insemination, Japanese method of cultivation etc., if available may be supplied to this project for exhibiting in the rural parts of the Community Project area, as they are very helpful in educating the villagers on the above subjects. They will also facilitate the work of the project staff to a great extent.

ASSISTANT SECRETARY TO GOVERNMENT
